BUILDING BRILLIANCE

WELCOME TO CAVANNA HOMES

"Our vision at Cavanna Homes is to become the most admired regional housebuilder in the South West. We strive to achieve this through our product design, innovation and build quality, whilst maintaining the trust and respect of our customers and the local communities around our developments.

We aim to be a company whose employees, shareholders, customers, business partners and the community can be proud to be associated with."

Keith Miller. Managing Director.

Jeremy Cavanna. Chairman.

CAVANNA @ ELM PARK EXETER

Elm Park is a superb location for your new family home, located in the south of Exeter. Surrounded by vast amounts of Suitable Alternative Natural Green Space, Elm Park has been designed with ecology and sustainability in mind.

The development has been devised as a series of 'linked places', each with their own identity, layout and landmarks. Our 1, 2, 3 and 4-bedroom homes will come with a different style of finish, depending on which area of the site they are located. There are also 12 self-build plots for those who want to put their unique stamp on their home.

At Cavanna, every home we build is considered and designed with you in mind. The high level of workmanship and exacting standards in planning and construction means you will purchase a quality home to satisfy, and we hope, exceed your expectation.

Barley Meadow, Dawlish by Cavanna Homes

Cavanna use the finest materials selected for longevity, function and performance. Our attention to detail and quality goes beyond the build, every Cavanna Home comes with contemporary fitted kitchens, the latest heating systems, excellent wall and loft insulation and double glazing as standard. This means your house is thermally efficient, comfortable and beautifully stylish.

Tailoring your dream home is a delight with Cavanna. Our superior range of finishes in the kitchen and bathroom means you can make your house a home before you even move in. Please do talk to one of our Sales Advisors about our standard options and optional extras*.

When you choose a Cavanna home you can be assured our friendly, professional and knowledgeable staff are always on hand for advice and assistance. Before you move in you will be invited to visit your home and given a tour and demonstration so you are familiar with your home.

We are a proud developer and we endeavour to deliver homes that enhance the community in which they reside.

*This will depend on the build progress and when you reserve your plot.

ABOUT THE AREA

Elm Park has the unique characteristic of placing you close to the bustling city of Exeter, but making you feel like you are nestled in the Countryside. This is thanks to the abundance of green space surrounding the development, which will encompass a play area, allotments, significant tree planting and natural areas. These will also include sustainable urban drainage ponds, contributing to the ecology of the local area. Elm Park is perfect for those who like to explore with its own cycle routes linking to Exeter Quay and Dawlish Warren.

Surrounded by SANGS land (Suitable Alternative Natural Green Space), Elm Park will treat you to stunning views of Exeter as well as further reaches over the estuary towards Exmouth. In addition to this, these new homes are only a short drive away from the Dartmoor National Park, offering far-reaching beauty right on your doorstep. Bus stops located on-site will ensure easy and regular access to the city centre, while also granting easy access to the many excellent schools both in Exeter and the surrounding areas.

The development has also been designed with particular attention to providing key focal points and wayfinding signals that are of particular use to those with Dementia. This is further highlighted by the inclusion of a sensory garden contained within Elm Park, containing five pods designed to stimulate our senses – not only aiding those with Dementia but also creating a key asset for the wider community.
